Window, Doorway and Stovepipe Insert Placement

Indicate where you would like to place features using this diagram. Be sure to mark locations for the wall features from the previous page including the three standard windows, additional windows, additional doorways and stovepipe insert (if selected). Also note any doorways with door awning options.

Mark items as follows:

- Vinyl Windows: W
- Doorway with 36" Door: D36
- Doorway with 48" French Door: FD48
- Glass Window Frame : GW
- Door Awning Option: +AW
- Stovepipe Insert: S

The primary doorway is always at the 'A' location. Features can be placed at half locations so long as they're not directly adjacent to other features. See the examples below for reference.

Other customizations may be possible, just ask!
